Arlington Award Program Honors the Achievement

ARLINGTON October 10, 2014—Nicholas Stamoulos, DC of EastArlingtonChiropractic.com has been selected for the 2014 Best of Arlington Award in the Chiropractor category by the Arlington Award Program.

Each year, the Arlington Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Arlington area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Arlington Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Arlington Award Program and data provided by third parties.
